OUTER BURIAL CONTAINER PRICE LIST

These prices are effective as of October 16, 2023, and are subject to change without notice.

In most areas of the country, state or local law does not require that you buy a container to surround the casket in the grave. However, many cemeteries require that you have such a container so that the grave will not sink in. Either a grave liner or a burial vault will satisfy these requirements. Our funeral home makes no representation or warranties about the protective value of certain caskets or other burial containers other than those made by the manufacturer. The only warranties expressed or implied granted in connection with goods sold with the funeral services are the express written warranties, if any, extended by the manufacturer thereof. No other warranties of merchandising fitness for a particular purpose are extended by the seller.
